YUSUFF FATIHA OMOLARA

CANDIDATE FOR TREASURER
NIQS LAGOS STATE CHAPTER

PROFILE

Yusuff Fatiha Omolara is a Quantity Surveyor, Builder and Project Management Professional with experience in construction project delivery, cost management, procurement, contract administration, claims and variation management, budget oversight and financial reporting. She holds an MSc in Quantity Surveying and a BSc in Building from the University of Lagos, as well as OND and HND qualifications in Quantity Surveying from Yaba College of Technology.

Her professional credentials include Project Management Professional (PMP), Registered Quantity Surveyor (RQS), Member of the Council of Registered Builders of Nigerian (CORBON), Member of the Nigerian Institute of Quantity Surveyors (MNIQS) and Member of the Nigerian Institute of Building (MNIOB). Her career has involved coordinating contractors and vendors, overseeing project budgets, managing financial and contractual documentation, and reporting to executive leadership.

She has served two tenures as Financial Secretary of the NIQS Lagos State Chapter and is seeking election as Treasurer to build on that experience and contribute to sound financial stewardship, transparent reporting, proper documentation and accountability in the management of the Chapter's funds.

COMMITMENT

If elected, she will work collaboratively with the Chapter's officers, uphold the Institute's constitution and financial procedures, support timely reconciliation and reporting, and promote prudent management of members' funds.

MANIFESTO

YUSUFF FATIHA OMOLARA | CANDIDATE FOR TREASURER

MY VISION

To support a financially accountable, transparent and well-governed NIQS Lagos State Chapter through prudent custody of funds, reliable financial records and timely reporting, in accordance with the Institute's constitution and approved financial procedures.

MY PRIORITIES

1. Accountability and transparency

Promote clear, accurate and timely financial reporting to the appropriate Chapter organs and members, in line with established rules.

2. Proper financial controls

Ensure payments follow required approvals and are supported by appropriate documentation. Encourage clear checks and separation of duties wherever practicable.

3. Timely reconciliation

Support regular reconciliation of bank statements and financial records, with prompt investigation and documentation of discrepancies.

4. Budget discipline

Work with relevant officers to monitor expenditure against approved budgets and ensure variations receive the required authorisation.

5. Safeguarding Chapter funds

Promote prudent handling and custody of funds, proper record keeping and compliance with approved banking and financial procedures.

6. Collaboration and continuity

Build on the experience gained from two tenures as Financial Secretary and work constructively with the Financial Secretary, Chairman and other officers while respecting each office's responsibilities.

7. Responsible reporting and handover

Maintain organised records and support a clear, documented handover to strengthen continuity and institutional memory.

MY COMMITMENT

I offer myself for the office of Treasurer with a commitment to integrity, diligence, fairness and service. My professional background in quantity surveying, building and project management, together with my two tenures as Financial Secretary, provides a sound foundation for responsible financial oversight. If elected, I will work within the NIQS constitution and approved procedures, protect the interests of the Chapter and remain accountable to its members.
