

QS. OLUWATOSIN OYELOWO MNIQS

OLUWATOSIN OYELOWO is a resourceful and technically sound Quantity Surveyor with over 8 years' experience in the contracting and consulting sector.

Oluwatosin has volunteered with the Nigerian Institute of Quantity Surveyors since her university days, dating back to 2018.

In the course of her professional development, Oluwatosin volunteered to serve with the executives of the Young Quantity Surveyors Forum (Lagos Chapter) between 2018 and 2022, where she participated in planning and executing several activities within the forum, which include: the maiden edition and the third edition of the YQSF Entrepreneurship Summit, Several Webinars (physical and virtual), Courtesy visits, Social events such as (NIQS annual picnic, QS Week activities, NIQS Investiture & Dinner), etc.

During her voluntary service, Oluwatosin left no stone unturned in her professional qualification journey; she became a corporate member of the Nigerian Institute of Quantity Surveyors in 2022 and a Registered member in 2023.

Additionally, Oluwatosin served as a co-opted member of the NIQS Lagos Chapter from 2022 to 2024. During this period, Oluwatosin executed all assigned tasks in an exemplary manner and assisted portfolio officers in various capacities. She also contested for the position of Assistant General Secretary of the NIQS Lagos Chapter in 2024 and won. During her tenure as AGS, she helped improve the chapter's administration and database.

Oluwatosin is a great team player and has proven, over time, to excel at organizing and coordinating teams to achieve set goals.

Dear Esteemed Members of NIQS Lagos Chapter,

My name is Oluwatosin Oyelowo, and I am honored to be contesting for the position of Assistant General Secretary. I am an active member of the NIQS Lagos State Chapter, and I have served in various capacities and leadership positions within the Chapter and the YQSF. I currently serve as Assistant General Secretary, where I work with the General Secretary to improve the Chapter's administration, documentation, and database, and collaborate with other senate members to achieve their goals and deliver our activities.

I aim to further support our chapter's growth, foster collaboration, and enhance our collective professional experience.

Here are my Key Objectives:

1. **Administrative Support:** To provide efficient administrative assistance to the General Secretary and other senate members.

2. **Effective & Working Secretariat:** To further improve record-keeping in the Secretariat and improve the productivity of the secretariat staff.

3. **Digital Transformation**: To embrace digitalization of our database with regular updates for easy accessibility and communication with members of the Chapter. Also create a digital resource hub for all presentations from our trainings and workshops.

4. **Effective Communication:** To ensure transparent communication among members, committees, and stakeholders of the chapter and timely response to members' requests and inquiries. This will be done via Email, Text messages, group chat engagement, etc.

5. **Membership Engagement**: To foster a sense of belonging, encourage active participation, and support members' professional development. We will do this by involving members in all chapter activities and providing support where needed.

I am confident we can achieve these goals with your support, and I am always willing to listen to your concerns and ideas as we support our chapter's growth.

Let's work together to take our chapter to greater heights!

Thank you for your support.

Best regards,

QS. OLUWATOSIN OYELOWO MNIQS
