MY PROFILE

Sulaimon Oladimeji Olaotan, HND, BSC. MNIQS, RQS

Senior Staff, METALBERG CONSTRUCTION

Sulaimon Oladimeji Olaotan is a qualified Quantity Surveyor, (RQS), corporate member of the Nigerian Institute of Quantity Surveyors (NIQS). I obtained my Higher National Diploma (HND) in Quantity Surveying from Lagos State Polytechnic (now Lagos State University of Science and Technology), Ikorodu, Lagos and a degree in Building at Joseph Ayo Babalola University, Ikeji-Arakeji, Osun State.

I attended Kuramo Primary School, Victoria Island, Lagos, and Methodist Boys' High School, Lagos, where I laid the foundation for my academic and leadership journey.

Professionally, I have practiced as a Quantity Surveyor on a wide range of building and civil engineering projects. I have worked with Project Scope Limited, Capetex Industries Limited, Cappa & D'Alberto, Kulaptech Nigeria Ltd and currently with Mertalberg Construction, providing expertise in cost planning, contract administration, project cost control, procurement, valuation and quantity surveying services on several notable projects.

Beyond my professional career, I have distinguished myself in community development, youth leadership, and educational administration. I am currently the Chairman of the School Management Committee of Jama at ul Islamiyya Nursery and Pry School, Lagos founded 25years ago

I am passionate about professional excellence, leadership, mentoring young people, community service, and the sustainable development of the built environment.

My professional background as a Quantity Surveyor further informs my approach to public affairs with extensive knowledge of proper planning, transparency, prudent management of public resources and accountability in governance.

Thanks

Sulaimon Oladimeji Olaotan, HND, BSC. MNIQS, RQS
